**TEST REPORT**

NoDX1300364

P.1/5

Name of sample	XLPE Insulated 0.6/1(1.2) kV Distribution Cables	Type	X-90 0.6/1kV 4×240mm <sup>2</sup>
		Trade mark	NAN
Inspected unit	Nanyang Cable (Tianjin) Co., Ltd.	Test purpose	Type Test
Produced by	Nanyang Cable (Tianjin) Co., Ltd.	Class of sample	—
Place of sampling	—	Date of sampling (receiving)	2013.02.05
Quantity of sampling	30 m	Person of sampling (sending)	LIN Liantao
Basic quantity of sampling	—	<del>No. of sample tested</del> or produced date	—
Based on	AS/NZS 4026:2008 Electric cables —For underground residential distribution systems	Tested items	36 items
Remarks	36 items were checked according to AS/NZS 4026:2008, the test results met the technical requirements based on .  Date of issue 2013-03-21		
Notes	Bill of testing plan: YDD13/0645.
